

QuickRip™

EASY OPEN BARRIER BAG®

Fast 

Safe 

Clean 

No matter what you pack in a Cryovac® Barrier Bag®, you know you can be assured of pack integrity, quality and reliability.

So what more could you ask for from the world's most innovative and trusted packaging company?

That's exactly what our technical and marketing teams asked and the result is - QuickRip!

QuickRip is a patented easy opening design for Cryovac OMNI Barrier Bags.

It means that you can now open a Barrier Bag fast and without the need for sharp implements. This makes it

- Fast
- Safe
- Clean

And that means Less Cost and more Value.

Ask your Cryovac Account Manager for more information on Cryovac's QuickRip or email:
